Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicants hereby make of record in the above-identified application the documents listed on the attached Form PTO-1449.

Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated. Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not an issue.

This Supplemental Information Disclosure Statement is being filed more than three months after the U.S. filing date, and after the mailing date of the first Office Action on the

merits, but before the mailing date of a Final Action or Notice of Allowance, whichever occurs first. 37 C.F.R. 1.97(c).

Document B was cited by the U.S. Patent Office in co-pending Application Serial No. 09/384,088, filed August 27, 1999, in an Office Action dated March 31, 2003. Documents A and C-G were cited by the U.S. Patent Office in co-pending Application Serial No. 09/384,089, filed August 27, 1999, in an Office Action dated April 8, 2003. I hereby certify that no item of information in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to my knowledge after making reasonable inquiry, was known to any individual designated in 37 C.F.R. 1.56(c) more than three months prior to the filing of this Supplemental Information Disclosure Statement. 37 C.F.R. 1.97(e)(2). No fee is required.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449.

Respectfully submitted,

MINTZ, LEVIN, COHN, FERRIS, GLOVSKY
and POPEO, P.C.
